More about Fraganite:

MADE FOR A LIFETIME OF COOKING

Whichever ingredients you choose, the Fraganite sink has got your back. Treated properly, your Fraganite sink will last a lifetime.

AVOIDS GERMS LIKE THE PLAGUE

All Fraganite sinks feature a bacteria-repelling surface that lasts a lifetime. Cleanliness is an important ingredient in every recipe, which is why Fraganite is treated with Sanitized®. Its silver ions reduce bacteria and microbe growth by 99% and that means better hygiene and easier clean-up. Say bye-bye bacteria.

TIMELESS COLORS FOR A TIMELESS LOOK

The Fraganite range of colours has been designed to complement any interior decor and blend in perfectly with every kitchen, including the newest addition Grey Stone.

COLOUR THAT LASTS

Fraganite is stain proof and the colour will never fade. So your sink's elegance will last a lifetime.

STANDS UP TO STEEL WOOL

Leave no traces! Throughout its lifetime, a Fraganite sink will be cleaned thousands of times. But despite this extreme stress, it will remain virtually unscathed thanks to its unique mix of materials that make it highly scratch resistant.

TOUGH WHEN THINGS GET ROUGH

Built to outlast! Fraganite is made from quartz, one of the hardest materials known to man. Treated properly, your sink will last a lifetime.

Impact proof! Fraganite is resistant to impacts and thermal shock.

Raise your glass to stain resistance. A robust burgundy, a full-bodied Bordeaux, or maybe a heavy Amarone? Whichever you prefer, enjoy it without worry. Fraganite resists stains even from the strongest of red wines. Cheers to that!

ABSOLUTELY FLAWLESS ALWAYS

Feel free to invite your guests into your kitchen. Fraganite ensures that your sink cleans up quickly and easily, so everyone can admire its design.
